**Nutrecology Inc.**

GENERAL INFORMATION: T-wave can be used on turf, trees, ornamentals and nursery stock to enhance root protonic pump activity (and hence uptake potential of nutrients) and to increase deep root mass production.

CAUTION: PLEASE KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat or skin. Avoid contact with eyes, skin and clothing. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention.

CROP	RATE 1000sqf OR ACRE	NUMBER & TIMING APPLICATION
Turfgrass	First two app.: 2-3oz\1000 sqf Following app: 0,75-1oz\1000sqf	Every 7-14 days
Nursery & container plant	Drench: 1-3gal\Acre Foliar: 32-64oz per 100gal water	After transplanting
Trees, Shrubs & Ornamentals	1-3gal\Acre or 32-64oz per 100gal water	After transplanting

Use a minimum of 25 gallons of water and a maximum of 100 gallons per acre.

CLEANING OF SPRAYER: Flush all parts of the sprayer with clean water, including the pump, hoses, and nozzles. Repeat this process several times prior to and after the use of this product.

DIRECTIONS FOR MIXING: TANK MIXES: T-WAVE can be tank mixed with pesticides, fertilizers or any other chemicals. It is advised to conduct a compatibility test. Triple rinse and add contents to the spray tank. Do not reuse container.

CONDITION OF SALES: Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with direction under normal condition and use. No one other than an office of the seller is authorized to make any warranty, guarantee or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the control of the seller, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price. It is impossible to eliminate all risks associated with the use of this product. Crop injury, lack of performance, all other unintended consequences may result because of such factors as use of the product contrary to label instruction, abnormal condition, presence of other material, the manner of application, or other factors, all of which are beyond the control of Nutrecology or the seller. All such risks shall be assumed by buyer.
